**Honey Buzz** is a unique blend of smoked paprika, powdered honey, orange peel and coriander ... perfect for grilled meats or spicing up your favorite pasta or potato salad. Instead of your usual, predictable “deviled eggs”, make **BUZZED** Eggs by mixing **Honey Buzz** with mashed egg yolks, mayonnaise, and sweet relish then pipe into the boiled egg whites as you normally would. Sprinkle the finished eggs with even more **Honey Buzz** right before serving and watch them disappear. For a quick party appetizer, roll a block a cream cheese in **Honey Buzz** and serve with your favorite crackers. Gesundheit!
